DISPATCH NO. LTI-4-1709

SECRET

CLASSIFICATION

TO: Chief, Foreign Division R

DATE: 29 September 1950

FROM: Chief of Station

SUBJECT: [REDACTED]

Interview with [REDACTED] on 21 September 1950
References: [REDACTED]

1. [REDACTED] reports that he has not met with [REDACTED] but believes that [REDACTED] will probably look him up. [REDACTED] states that Albanian circles here believe that [REDACTED]'s aim in coming here is to prevent the dispatch of Albanians to work in factories in Germany because it is easier to recruit them here for any eventual anti-communist uprising in Albania than it would be if they were in Germany. [REDACTED] finds that he was mistaken in the statement in paragraph 1 of reference that [REDACTED]'s outfit had something to do with [REDACTED]'s trip. They do not, according to [REDACTED].
2. One of [REDACTED], another Albanian and a friend of [REDACTED], recently arrived in Istanbul, either from Italy or from Cairo, traveling on an Italian diplomatic passport. [REDACTED] has always been an advisor to [REDACTED] on Italian affairs. [REDACTED] dined with [REDACTED] and on 20 September showed him a cable from [REDACTED] asking him to return urgently to Cairo. [REDACTED] will be requested to provide further information on this matter.
3. [REDACTED] paragraph 3 of reference has not met with [REDACTED] with [REDACTED] but we have told [REDACTED] that time is not lost. [REDACTED] to make the appointment for them, he could, in this case, try again, but that in future instances of this type he should check with us first.
